Pre - Registration Form

This is a pre-registration form for all prospective 2020-2021 school year kindergarten students. Kindergarten Round - Up will be held Wednesday, April 15th, 2020. It is very important that all incoming kindergarten students attend Round - Up. Screening is required before students are assigned to a kindergarten class. This form must be filled out and returned to the school by March 27, 2020, so that kindergarten screening times can be completed.

Parents will need to bring their child's official birth certificate at the time of registration. A child cannot be entered on the record for attendance unless the official birth certificate has been presented for age verification. Prospective kindergarten students must be five (5) years old on or before **August 1, 2020**.

Parents of pre-registered students will receive a mailing which will include detailed information regarding registration, with a specific time to bring their child in on April 15th.
